

JOB OPPORTUNITIES @ CQJTU

Find Your Career — CQJTU would like to be a talents appreciator

Working at Chongqing Jiaotong University, you will find daily opportunities to live to your fullest. Whether you are already part of our community or just getting to know us for the first time, we invite you to join us and make a fundamental difference.

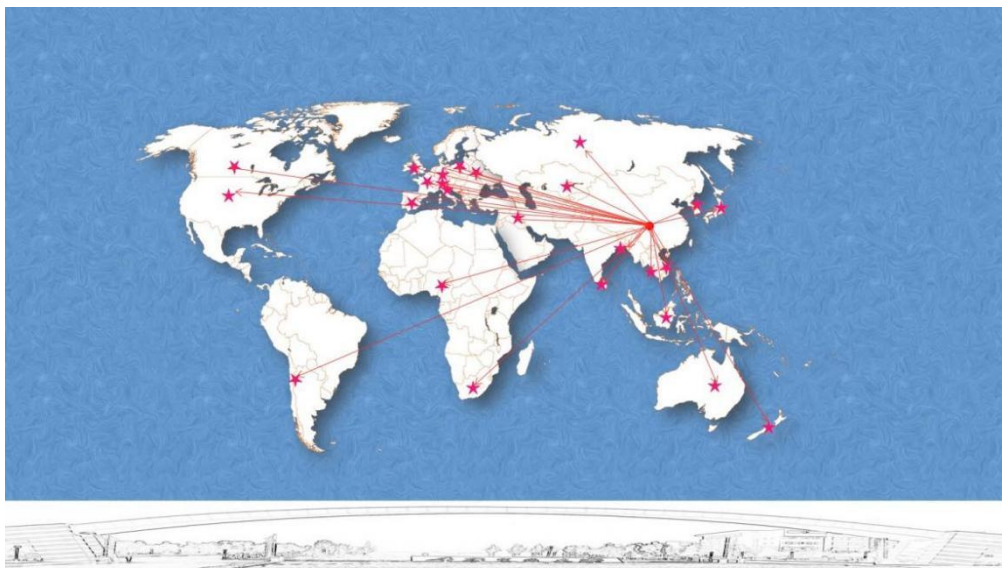

About CQJTU

In 1951, CQJTU was established in Chongqing, the biggest industrial and commercial center in the upper reaches of the Yangtze River, under the direct administration of the central government. Jointly established by the Chongqing Municipal People's Government and the Ministry of Transport of the People's Republic of China, CQJTU stays true to its mission of cultivating engineering talents with high-quality running. Today, CQJTU has developed into a distinctive, multi-disciplinary research university, providing engineering, science, economics, management, literature, law, and art programs, with transportation engineering as a core focus.

Currently, CQJTU has three campuses: Nan'an, Western (Chongqing) Science City, and Daping, offering doctoral programs for 4 first-level disciplines, 3 postdoctoral programs, master programs for 16 first-level disciplines, 13 national

first-class undergraduate programs and 38 Chongqing first-class undergraduate programs, nearly 2200 faculty and staff including more than 40 international faculty members from 14 countries teaching English, major courses, and conduct research.

As a place of learning, discovery, expression, and innovation, CQJTU has established fruitful international exchanges and cooperation with more than 100 partner universities and institutions of over 30 countries and greatly benefits from diverse faculty and staff who create an excellent environment and opportunities for all students to grow, learn and succeed.

Aim at a Rewarding Career at CQJTU?

We are ready to welcome you. At CQJTU, you can produce a meaningful impact on students, faculty, researchers, other staff, the local community, and even the whole world, and enjoy the

unique welfare and value.
